*** Introduction ***

This Astrological Child Report has been designed as a guide for Mia Rebecca's parents, with a special commitment: to help with Mia Rebecca's growth and cultural upbringing, to emphasize and strengthen her assets, and to alert the parents to mistakes or possible problems that Mia Rebecca could face in her life.

Chapter 1 describes Mia Rebecca the way she really is (position of the Sun), and the way her personality is expressed (Ascendant sign). Chapters 2 and 3 describe the influences linked to her mother and father respectively, which DOES NOT mean a description of their personalities, but the way Mia Rebecca sees them, experiences them, and which characteristics she takes from each one. In the astrological chart of a brother or sister, the description of parents could be different due to the individual's perspective. Chapter 4 completes the sequence of the description of Mia Rebecca's temperament, focusing her mind, her attitude toward education, and her intellectual capacity.

Chapter 5 describes Mia Rebecca's destiny, her vocation, her profession, and the probability of success in the material world. In order to get an appropriate view of Mia Rebecca's vocational possibilities, it will be necessary to combine what is in this chapter plus what is in Chapter 1 and any other relevant information in the report.

Chapter 6 analyzes the conditions of Mia Rebecca's health; some tendencies or possibilities to physical diseases are mentioned, which DOES NOT mean that Mia Rebecca is going to suffer from them, one by one. It does mean that those are her weak points and she is inclined to those possibilities. As a complement, some recommendations for Mia Rebecca to have better nutrition are mentioned. PLEASE CONSULT A PHYSICIAN REGARDING ANY PHYSICAL PROBLEMS THAT YOUR CHILD MAY HAVE!!! FOLLOW YOUR PHYSICIAN'S ADVICE AND ANY MEDICATION OR THERAPY THAT HE/SHE RECOMMENDS!!! ASTROLOGY SHOULD NEVER BE USED AS A SUBSTITUTE FOR PROFESSIONAL MEDICAL ATTENTION!!!

Finally, Chapter 7 describes the astrological influence of the outer planets which affect all the children who were born in the same period of years, producing common ideas and behaviors and subsequent generational characteristics.

It is probable that you may find some contradictions in the report; this is because some planets may be beneficial in a certain area of life while other planets may be less helpful or even harmful. This means that Mia Rebecca may have both positive and negative experiences in the same area. You need to draw on your intuition and common sense to come to your own conclusions. But remember that every child, no matter the sign he/she was born in, needs LOVE in order to grow up in the right way.

*** Chapter 1 ***

General description of the child: essential nature and personality. Physical body and childhood.

Sun in Sagittarius:

The child of Sagittarius is an adventurer, restless and funny. Mia Rebecca has a very good sense of humor, like a small clown. Whenever she laughs, everyone is affected by her joy. As she grows she will show her restlessness and charm. She will travel all over the house, then the neighborhood, and then the entire world. Her curiosity and energy are unbounded. She is always asking questions; she wants to know everything and sometimes presses very hard with her endless questions. She reacts against orders; she only obeys if she thinks it is logical. Her inquisitive and reasonable mind is always analyzing the orders. To get her cooperation on any subject, parents must appeal to her sense of justice and honesty. If her parents keep her confined all day long or they inhibit her fantasies, she might lose her motivation. She loves to be outside and she loves sports, in which she will probably be fantastic. Friends love her and they are always looking for her, because she is always making people laugh. Though she shows authority and enthusiasm, inside she is not very strong and she needs support for her enterprises. She is ingenuous and people can easily influence her, so her parents should always keep an eye on her friends. Her sense of freedom becomes stronger in adolescence and she may leave home early.

At school Mia Rebecca can be inconstant, because everything depends on her enthusiasm. If she gets bored, she will not be a good student, but if she finds subjects that interest her, she will learn very quickly. Her mentality is multifaceted and is fed by her curiosity. The more dynamic her education is, the better. It is extraordinarily easy for her to learn languages, and she is also fond of religion. She is likely to go through changes in her faith and religion while searching for the truth. As she has an

adventurous spirit, she is likely to live in another country.

This child does not have a head for finances. Parents must teach her how to deal with money, and to save some, in order to avoid future financial problems. Parents should not be soft on this point. If she spends a week's allowance in one day, she must live the rest of the week penniless. Though this seems rather harsh, it will be very positive for the development of her conscience.

Mia Rebecca's adventurous spirit is also obvious in matters of the heart. Boys and girls of this sign experience many romances during their adolescence and sometimes more than one at a time. The Sagittarius child is very independent, outgoing and restless. She needs friends for her endless adventures, rather than strong and authoritative parents. She needs to know that her parents have confidence in what she is doing on her own, in order to hit every target she aims at with her bow and arrow.

Virgo Rising Sign:

Mia Rebecca's physical body can be thin and delicate. Her movements will be soft and quiet, though her eyes will be vivacious and will express great intelligence. Her curiosity and her desire to know everything is evident very early; while in the crib, she will observe and study everything that is going on around her. As Mia Rebecca grows, she will show a great appreciation for details and will be very particular about her preferences. Though her mind is bright, her big disadvantage is her shyness. This astral influence makes her hide her real potential because she feels inferior or insecure. Parents must help Mia Rebecca work on getting this off her mind. She will not assert her needs easily. She will find some obstacles in her path during her life. Her great sensitivity makes her close up and retreat into herself when a problem comes up. If her Sun (as shown above) is located in a strong sign, Aries, Leo or Sagittarius, this strength will rarely be shown in her personality; Mia Rebecca can live an intense inner life, and this may not be seen on the outside. She has to be taught, in a delicate way, how to show her feelings, how to trust her own decisions and how to act appropriately. Most likely she will analyze each step of her behavior, sometimes only in her imagination. She may use illness as a way to get attention or to ask for protection or affection. If her parents always respond when Mia Rebecca does this, she can become an hypochondriac in the future.

Her childhood is ruled by Mercury and can be full of experiences which will increase her knowledge and intelligence. She will be attracted to the sciences in general, and will always be looking for logical answers to every question. Her family may suffer financial or emotional instabilities, which could affect her sensitivity in a deep way; her unconscious could retain this and transform it into fears or phobias in the future. Parents must remember this: no matter how strong her Sun sign is, this ascendant makes her very sensitive, fragile and easily suggestible. Usually, Mia Rebecca's fears are the fears of the adults who are around her. The best medicine is affection and logical, coherent behavior. Mia Rebecca's insecurities are most strongly manifested during adolescence; she finds security and balance as an adult.

**Maternal figure: emotions, feelings, capacity to love
and share.**

Moon in Libra:

Mia Rebecca will be a very warm, kind, and friendly person. She will always be seeking an ideal emotional balance and will prefer quiet places, furnished with soft colors and filled with her friends. Mia Rebecca will always have a sociable attitude and her personal charm will make her successful with people. She can develop a great aesthetic awareness and will also have artistic ability. Her considerate attitude can give her problems in making up her mind, because she never wants to hurt anybody's feelings.

She will learn from her mother to express herself amiably and delicately, to have refined manners, and to cultivate good taste. Her mother should teach her to say NO to some persons or situations, and to make up her mind with more confidence. Mia Rebecca will be a quiet person and will love peace. She will have grand ideals about life and people, which is why she may experience some disillusionment, although this will not change her basic attitudes. Her emotional balance gives her a deep sense of justice; she will always defend the helpless. This girl will be inclined to be moody, because she is influenced by the vibrations of the people around her. Soft music helps her to attain inner balance. Mia Rebecca will also be attracted to ships and everything which is related to the ocean.

Moon in 2nd house:

Mia Rebecca will have a great need for emotional security, which will be evident by her desire to possess things. She will hold on to things for a long time, and it will not be easy for her to let go of them. If Mia Rebecca is raised in a positive and secure way, she could be generous and a bit of a spendthrift; otherwise she will be selfish and possessive. In her social relationships, she can be very demanding. Her future financial situation may suffer from fluctuations or instability; Mia Rebecca could make a living working with the public, especially with women.

Venus in Capricorn:

Mia Rebecca will be very reserved with her feelings. She will have a cold and controlled external appearance, though she will be passionate on the inside. Because Mia Rebecca may feel insecure, she will open herself up to others very slowly until she feels comfortable. Mia Rebecca might compensate for her emotional insecurities by developing a materialistic attitude and substituting professional and social success. She will find it difficult to show intimacy and tenderness. As an adult, she could fall in love with someone older in order to be protected, or with someone younger in order to be the protector. Mia Rebecca will link love with responsibility, and once she falls in love, she will be very loyal. Due to her leadership qualities, Mia Rebecca can be very successful in business.

Venus in 5th house:

Mia Rebecca will be very attractive to the opposite sex and may have innumerable

romances. She will have charisma and will love children, especially her own. Mia Rebecca will be very affectionate, sociable, and sympathetic, but also very idealistic in choosing her intimates, which may leave her vulnerable to disappointment. She can excel in sports and in creative pursuits.

Jupiter in Scorpio:

Mia Rebecca will love mysteries and stories of suspense. She will be an eternal researcher, always questioning and seeking knowledge. She will also show a big interest in the supernatural; as an adult Mia Rebecca may have inclinations toward the spiritual and mystical. She will have confidence in herself and will be very persistent in working for the things she wants.

Jupiter in 2nd house:

Mia Rebecca will be successful in business and will earn lots of money; however, she must learn discipline and thrift, to avoid many potential problems. She could earn a living from different investments, import-export business, traveling, stock exchange, etc. Mia Rebecca will have many possessions, which will make her feel secure and protected, and at the same time, she will be very generous and will share them with others.

Jupiter Square Saturn:

Mia Rebecca must learn to know her limitations and to direct her energies in a more organized way. Mia Rebecca will probably undervalue her own potential, and may lack the self-confidence she needs to achieve her objectives. Success may come later in her life and, until it does, she may feel she will never be recognized. Mia Rebecca can be very realistic and materialistic, but will lack the courage and enthusiasm to move forward. She must always receive the love and affection she needs, and parents must refrain from comparing her with her brothers, sisters, and friends.

Jupiter Trine Uranus:

Mia Rebecca will have great creative power. She will be determined and practical, and will reach any goal for which she works. Her personal freedom will be always very important and Mia Rebecca will resist any ties that bind or restrict her. Mia Rebecca will have great mental energy, and though she could be very warm, she will not be very sentimental.

Neptune in 6th house:

Mia Rebecca could have some ailments that are difficult to diagnose. Her body will be very sensitive to any kind of drug and she could be allergic to many of them. Also, Mia Rebecca will experience some disappointments at work, on account of having idealized her bosses and colleagues. Her great emotive capacity could cloud her objective vision. On many occasions she will seek solitude in order to find peace of mind.

***** Chapter 3 *****

Paternal figure: authority, power, capacity to assume responsibilities and to defend oneself in life.

Sun in 3rd house:

Mia Rebecca will have an active, curious, and quick mind. She will like to talk and ask about everything. Mia Rebecca will learn from her father to communicate and to wonder about life itself. Also Mia Rebecca will be restless and will always be looking for change and action. She will travel frequently, most likely short trips; this will greatly stimulate her imagination and communication. If she has brothers/sisters, they could be a big influence on her destiny. Mia Rebecca must be encouraged to study, because her future success will depend on her cultural awareness.

Sun Square Uranus:

Mia Rebecca will be anarchical, liberal, and independent and always in opposition to authority. She can be very untidy and thus waste the great potential of her energies. She will attack whatever stands in her way, as she needs to be free. Mia Rebecca will be impulsive, eccentric, and will follow her own rules. She will also be original but impractical. Mia Rebecca will always be nervous and will be inclined to dissipate her energy. She must learn to be more cautious, and, because she is inclined to have accidents, to be in less of a hurry. As she is very particular and unique, Mia Rebecca will be a very difficult child to raise.

Sun Trine Saturn:

Mia Rebecca will gain great success in life due to her disciplined work and constant effort. She will be constant, faithful, responsible, and serious about her goals. She will have great concentration and a good sense of organization. Generally, her life will be orderly, healthy, and long. Mia Rebecca will deeply admire her father, who probably will be a very successful person and will possess many characteristics that she will want to embrace as an adult. Mia Rebecca will always be a person everybody can trust.

Saturn in Leo:

Mia Rebecca will have a great need for personal recognition and will always try to be the leader, no matter what the price. She must learn to have a better attitude about love, about other children, and about her own creative expression. Probably Mia Rebecca will be cautious and reserved, a serious child with little sense of humor.

Parents must show her how to enjoy life and to have a more relaxed attitude about the responsibilities she has. Mia Rebecca will have great mental vitality and will excel in fields like education and management. She must learn to share things with others and not isolate herself.

Saturn in 12th house:

Mia Rebecca can have many fears which begin in childhood. Her father should lavish encouragement, support, and protection on this child, in order for Mia Rebecca to develop adequate self-confidence to take on life's responsibilities. Otherwise, she will be very sensitive and will get hurt very easily. Mia Rebecca will feel ashamed of her mistakes, will seclude herself from others, and will not assume the responsibilities she should. If nobody builds up her self-esteem, Mia Rebecca could feel that everybody is against her; feeling abandoned, she could suffer from depression. Her parents must give her an optimistic vision of life and reinforce her wishes and fantasies.

Saturn Opposition Neptune:

Mia Rebecca can have a deep fear of facing responsibilities in her life, which may then manifest as a lack of ambition. Her illusions and idealization of people can make her vulnerable to disappointment which will wound her feelings. This astrological aspect can generate a fear of paternal authority; as a consequence, Mia Rebecca can be afraid of her own power of authority. In the future, she will escape from any situation involving any sort of compromise and will also avoid her duties on due to fear of failure. Her emotional world can be a bit inhibited and, at the same time, full of fantasies.

Mars in Taurus:

Mia Rebecca will be very obstinate, practical, determined, and very secure. Once she knows which way she wants to go, nothing will change her mind. Mia Rebecca will work very carefully and slowly, but the results will always be very good. She can have good aptitude for handicrafts or other manual activities. Mia Rebecca will be very stubborn and she will feel uncomfortable if someone wants to change the natural rhythm of her movements. She will love acquiring things and will be very possessive of them. Mia Rebecca will tend to be very possessive with people too, and jealousy will not be uncommon in Mia Rebecca's relationships. It will be very important for her to express her anger while it is happening, because her natural tendency is to keep everything to herself, and then to explode when she can not hold it anymore. She will depend on her own energies to earn money and will have many possessions which will give her security and comfort.

Mars in 8th house

Mia Rebecca will be very intrepid, brave, and determined. She will experience every situation intensely and deeply. Mia Rebecca will be attracted to risky situations, mystery, and danger, and her great courage will make her fearless. It is very important for Mia Rebecca to take care of herself by moderating her habits; otherwise, she could be exposed to risks or accidents all her life. Her sexual life will be very important, so she must receive a good education in this matter in order to dispense with taboos and preconceptions. She could also be interested in occult sciences and mysteries in general. she would make an excellent researcher. If Mia Rebecca decided to manage other people's money, she could experience some problems or arguments.

Mars Opposition Jupiter:

Mia Rebecca must learn to be disciplined and to direct her energies in an organized way; otherwise, she will waste her talents through impulsiveness or restlessness. Mia Rebecca will be a hard worker, but very inconstant and impatient at the same time; she will want to see the results almost immediately. Also, she could work too hard, exhausting her vitality. Mia Rebecca could show some rebelliousness and selfishness. It is also very important that Mia Rebecca develop a more balanced sense of justice and learn to share with others.

Mars Square Saturn:

Mia Rebecca's behavior can range from aggressiveness to apathy. She could also show a selfishness which could mar her relationships with others. She must learn to be more flexible and to express her wishes more gently. Though she will be able to count on large amounts of energy, Mia Rebecca may not have the ability to handle it or at least to direct it toward her purposes. There can be some inhibitions inside her, which prevent her from expressing disagreement; this may cause her to have some hidden resentments. She will probably have some disagreements with her father, causing much tension in their relationship. Both of them must learn to be respectful of each other and try not to dominate the other.

Mars Square Neptune:

Mia Rebecca will have a big imagination and many fantasies, but she will lack the ability to make them real. Mia Rebecca will probably be afraid of her anger and be uncertain about her own authority. Mia Rebecca must be careful about her diet, as she is inclined to have allergies to certain foods and drugs. In an attempt to hide her own fears and weaknesses, Mia Rebecca could cling to her convictions with fanaticism. To make her dreams come true, Mia Rebecca must strengthen her self-esteem and initiative.

Mars Sextile Uranus:

Mia Rebecca will be a hard worker and will show great enthusiasm, vitality, physical strength, and creativity. She will be self-controlled and will have a very positive attitude about life. Mia Rebecca will solve her problems very easily, reacting with accuracy and efficacy. To excel in any field, Mia Rebecca must feel that she can move and express herself freely. Mia Rebecca will be attracted to new, original, and revolutionary ideas, but she will reject any kind of violence and fanaticism.

Uranus in 6th house:

Mia Rebecca will need to work in a place where she is able to organize her own time. Mia Rebecca will tend to overwork, which could be detrimental to her health. It will be difficult for her to accept any authority but her own; Mia Rebecca will become impatient and irritable when things don't go her way. She will have great ability and interest in the sciences; she will also have a good sense of timing. Mia Rebecca will have to learn to control her impatience or she will be constantly changing jobs.

Pluto in 4th house:

All the experiences that Mia Rebecca has at home will be deeply marked in her unconscious and will constantly appear in her life. Mia Rebecca will be attached, willingly or not, to the stricter parent; even when grownup, she will need to consult him/her or get his/her approval. This could cause dependency and a lack of self-confidence. It is also probable that she could become wealthy as an adult.

***** Chapter 4 *****

Mentality: intelligence, studies and capacity for communication.

Mercury in Scorpio:

Mia Rebecca will have an intuitive and inquiring mind. She will be very fond of everything which is hidden, mysterious, or unresolved. Her inquiring nature will make her investigate first her family and then the whole world. While studying, she will show much more interest in nature than any other subject; in the future she will be inclined to metaphysics and esoteric things. Mia Rebecca will love knowing everybody's secrets, but will keep hers well hidden. Her reasoning can be affected by her very intense emotional world. Mia Rebecca must not make decisions while angry, because in that moment she lacks coherence and logic. Her humor will be sharp and sarcastic. Generally Mia Rebecca will express her ideas as they occur, without any previous thought, refinement, or delicacy. Many people may think she is aggressive, as she will be frank and will go straight to the point. Her ideas will be fixed and unchangeable. She will not be inhibited by fears, and will even challenge her own parents' authority. Her communication could be limited, somehow, due to her lack of self-confidence. She must learn to be more flexible and adaptable to new situations, and avoid being domineering or reckless.

Mercury in 3rd house:

Mia Rebecca will be very intelligent and will always be seeking knowledge. Her restless mind will make her eager to question and debate everybody she meets. She could run the risk of knowing a little about many fields but never concentrating on or mastering any one subject. Mia Rebecca will not like spending a long period of time in the same place, including the classroom or home. She will go on many short trips that will enrich her intellectual and communication skills. She will have a special literary ability, and could be a good journalist or researcher. Generally, Mia Rebecca will have good communication with all, especially with her brothers and/or sisters.

Scorpio on 3rd house cusp:

Mia Rebecca will be a very intuitive and inquiring person. In spite of her interest in science and research, her mind will work better through her hunches than through her logical deductions. She will be able to feel inner or hidden emotions of others quite easily, to discover lies without any real proof, and also to have innumerable experiences of paranormal perception, like telepathy. Mia Rebecca could be a bit shy

and reserved; she will not talk very much about herself, and if her feelings are hurt or someone offends her, she could hide deep resentment inside. She must learn to express herself more freely and to deal with her aggressiveness in a constructive way. If she has some aptitude for literature, she could excel as a writer in the future.

***** Chapter 5 *****

Destiny: vocation, profession, probability of success and social recognition.

Gemini-Cancer MC

Due to her inner contradictions, Mia Rebecca will live a life full of changes and ups-and-downs. One aspect of her personality seeks movement, communication, and action; the other one will prefer stability and moderation. That is why she most likely will have two professions: a serious job (which will give her a secure living) and a second one (more insecure, but full of variety and fun). Mia Rebecca will alternate between feeling very energetic and hard-working and feeling lazy. Her main problem will be the difficulty of finding work that is an outlet for her creative ideas without being traditional, boring, and routine. Her instability will be most apparent as a child, but as she grows up, she will become more settled and serene. Her sensitivity also plays an important role in her life and Mia Rebecca could excel in professions which would put her in contact with people. Mia Rebecca will be very humanitarian and intuitive.

Her career choice could be one of these professions or a combination of some of them: doctor, professor of medicine, teacher, administrator, writer, publisher, child psychologist, pediatrician, speaker, actor, journalist, pharmacist, biochemist, merchant of perfumes or food, etc.

It is probable that Mia Rebecca could have the following situation at home: one of her parents will be a hard worker and the other not as responsible. Though the parents could be very incompatible in character, they will stay together on account of their children. This idea will dominate Mia Rebecca's future. Gemini and Cancer individuals will strongly influence her destiny.
